- (f) In circumstances where a non-Australasian based zoo or aquarium resides in a country within a geographic region covered by a regional zoo/aquarium association, that zoo/aquarium must already be a member of their regional association;
- (g) Understand that any Species Management Program (SMP) species held prior to membership will require a commitment to join and participate in the relevant SMP Programs once membership is approved.

12. Eligibility for Individual Members

12.1 Definition

Individuals who are employed by zoo and aquarium Members, and/or participate in an Association advisory group or on an Association Committee, maintain access to the resources and networks provided by the Association and receive member discounts in Association related activities.

12.2 Eligibility requirements:

- (a) A person currently working for a Regional Member, or
- (b) A person who participates in an Association advisory group or sits on an Association Committee.
- (c) Have been an Individual Subscriber for a minimum of 12 months.

13. Regional Membership Requirements

13.1 Must commit to advising the Association's Executive Director within 14 days of:

- (a) Any change in relevant licences and permits status (temporary or permanent), including notice of requirement to make changes in order to meet on-going compliance; or,
- (b) Any investigation of non-compliance to relevant animal welfare or exhibited animal laws and regulations.
- (c) Material changes to ownership, operations or primary site

Any decision for which this consideration applies will be managed by the Executive Director and may be referred to the Association's Board for a decision.

(i) **Change in ownership or governance**

In the event that a Regional Member is subject to a **change in ownership or governance** (but retains existing staffing and operational structure) the Association will maintain the existing membership, with the following requirements:

- (A) Requires a letter from both the outgoing owner advising of such and the incoming owner signing off on the Association's *Code of Conduct*.

- (B) The new owner will need to undertake and complete an interim Desktop Accreditation Review and Accreditation Declaration Form within six (6) months of confirmation of new ownership.

(ii) **Change in staff**

In the event that a Regional Member is planning or has had a 60% change in animal care staff including managers within a 6-month period the Association will require the member to successfully undergo within six (6) months:

- (A) An interim Desktop Accreditation Review (if there has been a changeover in policies)
- (B) Animal welfare training session subject to associated fees
- (C) Species planning policy refresher session

These do not take the place of the regional members cyclical accreditation review.

(iii) **Change in composition of animals**

In the event that a Regional Member is planning change in composition of animals, specifically from native animals to include exotic animals, the Association will require the member to successfully undergo within six (6) months:

- (A) An interim Desktop Accreditation Review

These do not take the place of the regional members cyclical accreditation review.

(iv) **Change of primary site**

In the event that a Regional Member is subject to a change of primary site the Association will maintain the existing membership, with the following requirements:

- (A) Resubmission of relevant licences and permits issued by prevailing authorities responsible for administering the regulation of wildlife exhibition, welfare, biosecurity, environment / biodiversity conservation and wildlife trade legislation reflecting new trading address and conditions.
- (B) Accreditation site review subject to associated fees within 6 - 9 months after the location change.

These do not take the place of the regional members cyclical accreditation review.

(v) **Changes to an organisation's position of solvency**

In the event that a Regional Member becomes insolvent, or enters into liquidation or administration, the Member must advise the Association as soon as possible of its situation.

In accordance with the *Regional Species Planning and Management Policy* and the Association's *Repatriation Process* a Member in this situation must inform its financial stakeholders; liquidators and/or administrators, of the requirements of the Association's *Regional Species Planning and Management Policy*, pursuant to a Members commitment to SMP/ZAA SMP species.

- 13.2 In the event that a Regional Member is required to re-apply for membership they will be required to re-join at a Subscriber level. An additional fee may be charged where existing collection animals are part of the SMP.
- 13.3 Members may receive visits in instances where there are concerns of a member's alignment with Association Policy.

14. International Membership Requirements

- 14.1 Must commit to advising the Association's Executive Director within 14 days of:
- (a) Any change in relevant licences and permits status (temporary or permanent), including notice of requirement to make changes in order to meet on-going compliance; or,
 - (b) Any investigation of non-compliance to relevant animal welfare or exhibited animal laws and regulations.
- 14.2 In the event that an International Member is required to re-apply for membership they will be required to re-join at a Subscriber level. An additional fee may be charged where existing collection animals are part of the SMP.

15. Individual Membership Requirements

Must maintain either of the following conditions during the term of membership, otherwise membership will revert to Individual Subscriber:

- (a) Work for a Regional Member, or
- (b) Participate in an Association specialist advisory group or on an Association Committee.

16. Voting

In accordance with the Zoo and Aquarium Association *Constitution*, only Regional and Individual Members are eligible to a weighted vote at general meetings:

- (a) A Regional Member vote represents one (1) single vote
- (b) An Individual Member vote represents one tenth (0.1) of a vote

The following membership categories are not eligible to vote at general meetings:

- (c) International Members,
- (d) International Subscribers

- (e) Corporate Members (Corporate, government, tertiary educator, non-government organisations)
- (f) Individual subscribers

17. Membership Certificates

Any Member, excluding Subscribers, may request a membership certificate subject to any conditions the Association may determine, and on payment of any fees or other sums the Association may determine.

18. Fees

18.1 Payment of Fees

All fees are to be paid as outlined in the *Fee Schedule (Appendix II)*.

18.2 Annual Fees

- (a) Subscribers and Members are required to pay an annual fee charged at the commencement of each financial year.
- (b) Subscribers and Members outside of Australia or New Zealand are subject to the Australian fees (GST does not apply).
- (c) Fees for new subscribers, members and renewals are outlined in the *Fee Schedule*, which is updated annually.
- (d) The following in the first year will be charged a pro-rata fee rounded to the nearest month for the remainder of the year:
 - (i) Regional Member
 - (ii) International Member
 - (iii) Regional Subscriber
 - (iv) International Subscriber
- (e) Pro-rata fees are not available to the following categories:
 - (i) Business Members (all categories)
 - (ii) Individual Members
 - (iii) Individual Subscribers

18.3 Calculation of Fees

- (a) All member and subscriber fees, apart from Regional Members, are set by the Board as part of the annual budget development and reflect the ongoing cost of providing quality and relevant services.
- (b) Regional Member fees are calculated based on the following mixed calculation rate on operating expenses (OPEX):

Regional Member subcategories	
Based on species composition & admissions.	Member fee = % x OPEX
Native 100% native animals	0.25%
Aquatic Aquarium or predominantly aquatic	0.25%
Small Exotic <100K Admissions; <15 Exotic SMP Programs	0.35%
Large Exotic >16 Exotic SMP Programs	0.35%

- (c) Plus GST in local currency or as reviewed by the Board. A Member OPEX review is to be carried out every three years, likely to be timed with the beginning of each Accreditation cycle or iteration. From time to time the Association may request a review of Member operating expenses.
- (d) Members who believe their operating costs should be reduced can complete a survey to have their membership fee recalculated. The Association may at its discretion ask a member to complete a survey to clarify its membership fee.
- (e) Minimum and maximum fees apply (as per *Fee Schedule*).
- (f) The fee structure for International Members is based on the World Bank GDP¹ rating of the country and admissions per annum. GDP Brackets as per The World Bank GDP Ratings x Country:
- (i) GROUP I Countries: High Income and Upper Middle Income (Income Group)
 - (ii) GROUP II Countries: Lower Middle Income and Low Income (Income Group)
- Admissions per annum:
- (iii) Category 1: less than 200,000 paying visitors
 - (iv) Category 2: 200,000 – 1 million paying visitors
 - (v) Category 3: greater than 1 million paying visitors
- (See *Fee Schedule* for International Fees according to category and group)
- (g) Member and Subscriber fees are increased by Consumer Price Index (CPI), as set by the Australian Taxation Office (ATO) and the Inland Revenue Department (IRD), as applicable from the previous September.
- (h) Member in Australia, PNG, South Pacific Islands and members outside the Australasian region are charged in AUD and follow Australian CPI figures. New Zealand members are charged in NZD and follow New Zealand CPI figures.

18.4 Outstanding Membership Fees

Any membership fees that are outstanding for greater than 90 days without prior arrangement with the Executive Director may result in termination of membership. The matter will be elevated to the Board's Finance, Audit and Risk Committee for confirmation of termination.

Note: reminders of payment arrears will be sent at 30 and 60 days to the organisational finance point of contact and at 60 days to the organisational Director.

18.5 Refunds

All fees are non-refundable and non-transferable to another site. No fees will be refunded in the event that a member or subscriber withdraws from or is no longer eligible as an Association Member or as a Subscriber.

19. Board Engagement

The Association Board meet at least three time per annum as per the Association's Constitution and as a consequence the Board meetings are managed to facilitate outcomes associated with managing risk, leading emerging opportunities and other strategic matters connected with the Association and its membership.

Members may request matters to be raised with the Board in accordance with the *Procedure Submitting Matters to the Board*.
